

WELCOME TO OUR WORLD

OUR COMPANY

Aged Care Services Australia Group was established in 2004 and has positioned itself as a key provider in the aged care industry . We have a high quality portfolio of aged care facilities and an excellent record in facility management and resident care, features that combine to attract some of Australia's leading health care workers.

Aged Care Services Australia Group currently has a portfolio of 9 aged care facilities across Australia with over 775 aged care places, and employs more than 1500 people.

Aged Care Services Australia Group is extremely proud of the high quality of our staff, our excellent relationships with resident and relatives , our commitment to improvement in all areas and our vision for the future. Our culture of innovative, resident -focused care and service has established our Company as one of the best private aged care providers in Australia. Due to the Group's focus on continuous quality improvement, all of our facilities have achieved full accreditation with the Aged Care Standards and Accreditation Agency.

OUR VISION

In partnership with our residents , we are leaders in the provision of first class, innovative and responsive accommodation and support services to the aged community.

OUR MISSION

To provide high quality , life enhancing holistic care and services that are responsive to the needs of our residents.

OUR VALUES
